TERMINALS, LOGISTICS AND WAREHOUSING SERVICES IN LATIN AMERICA

ADDING VALUE FOR OUR CUSTOMERS

- Our core focus is on non-ferrous concentrates, coal, iron ore, liquids and containerised cargo
- We offer onsite reception, sampling and chemical analysis of material witnessed by third-party inspectors, blending, transportation to and loading at port
- Our terminals are strategically located at mine sites, key transit points and production and consumption areas with significant storage capacity and optimal access to export routes
- We offer transport by truck, rail, barge, bulk-vessel and container for domestic and international end-to-end delivery

BARRANCABERMEJA, BARRANQUILLA, TÓPAGA > COLOMBIA

Impala's fully integrated, two-way supply chain connects river, road and rail cargoes with inland mining and oil wells in Colombia.
